

## Directions to the Biochemistry Department from the Salt Lake City Airport

- Take **I-80 E** toward OGDEN/PROVO.
- Keep right at the fork in the ramp.
- Exit **600 South** (City Center).
- Drive East on 600 South through numerous stop lights until this road meets **900 East**.
- Turn **left** onto 900 East.
- Turn **right** at the next traffic light onto **400 South**.
- Driving east the road curves to become 500 South, continue through 3 more stop lights.
- At the fourth stop light turn **left** onto Mario Capecchi Drive.
- Move to the right hand lane and continue through one traffic light.
- You will pass under the white Legacy bridge.
- Take the next **right** (University Guest House will be on your right).
- Pass Fort Douglas Blvd on your immediate right.
- Take the next **right** onto Medical Drive South.
- Drive uphill until you see a brick and white building on your left (Biomedical Polymers).
- Turn **left** onto 2030 E (immediately after Biomedical Polymers).
- Turn **right** into the parking terrace.
- The Emma Eccles Jones Medical Research Building is directly east of the parking terrace.
- Exit the terrace on the north side. Take either the elevator or the stairs (both located at the north end of the structure) to the 3<sup>rd</sup> floor. As you exit the parking terrace, you will see the northwest main entrance to our building.
- The Biochemistry Department main office is on the **4<sup>th</sup> floor, room 4100** (a left turn as you exit the elevator).
