Search For Employee

INSTRUCTIONS:

- Please enter the Employee ID number of the person for whom you are requesting access.

If you do not know the Employee ID of the person for whom you are requesting access, you can search for them by entering their first or last names in the fields below. If you are not sure of the spelling, you can enter a few letters of either name. You may also search by Employee ID, by entering the first few digits of the Employee ID.

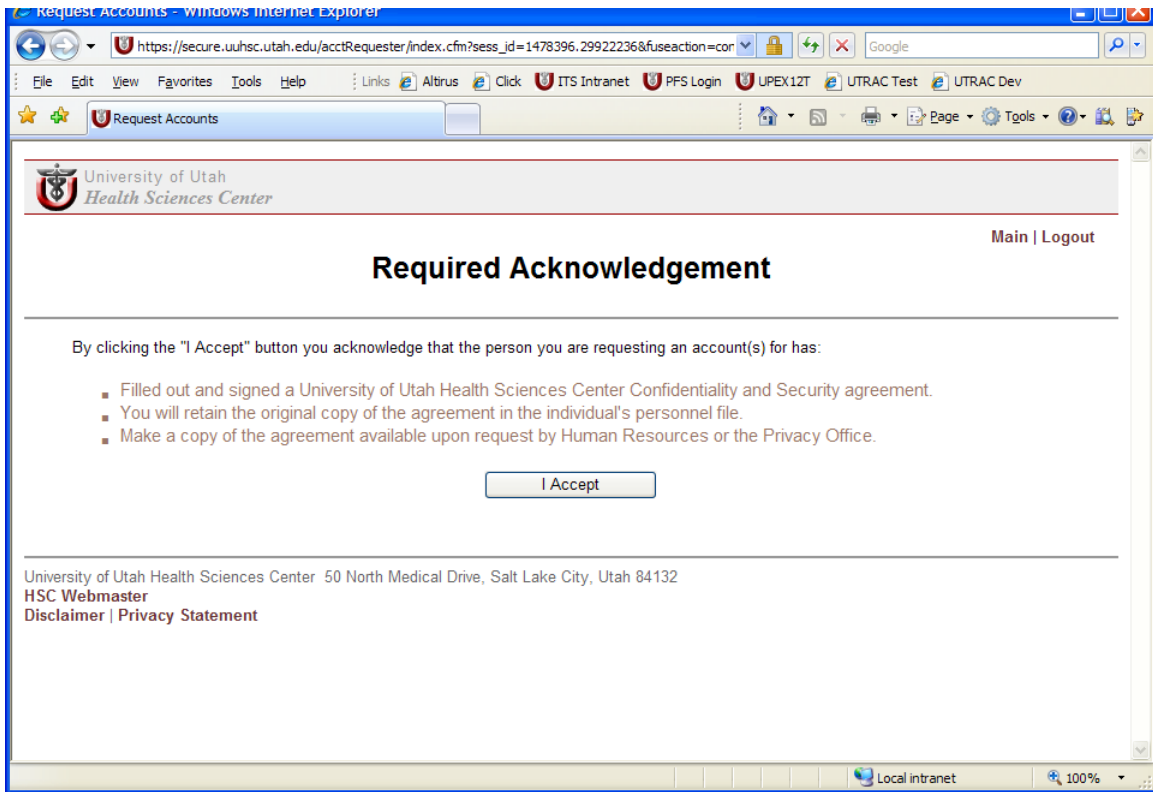

Employee ID:

Last Name: **First Name:**

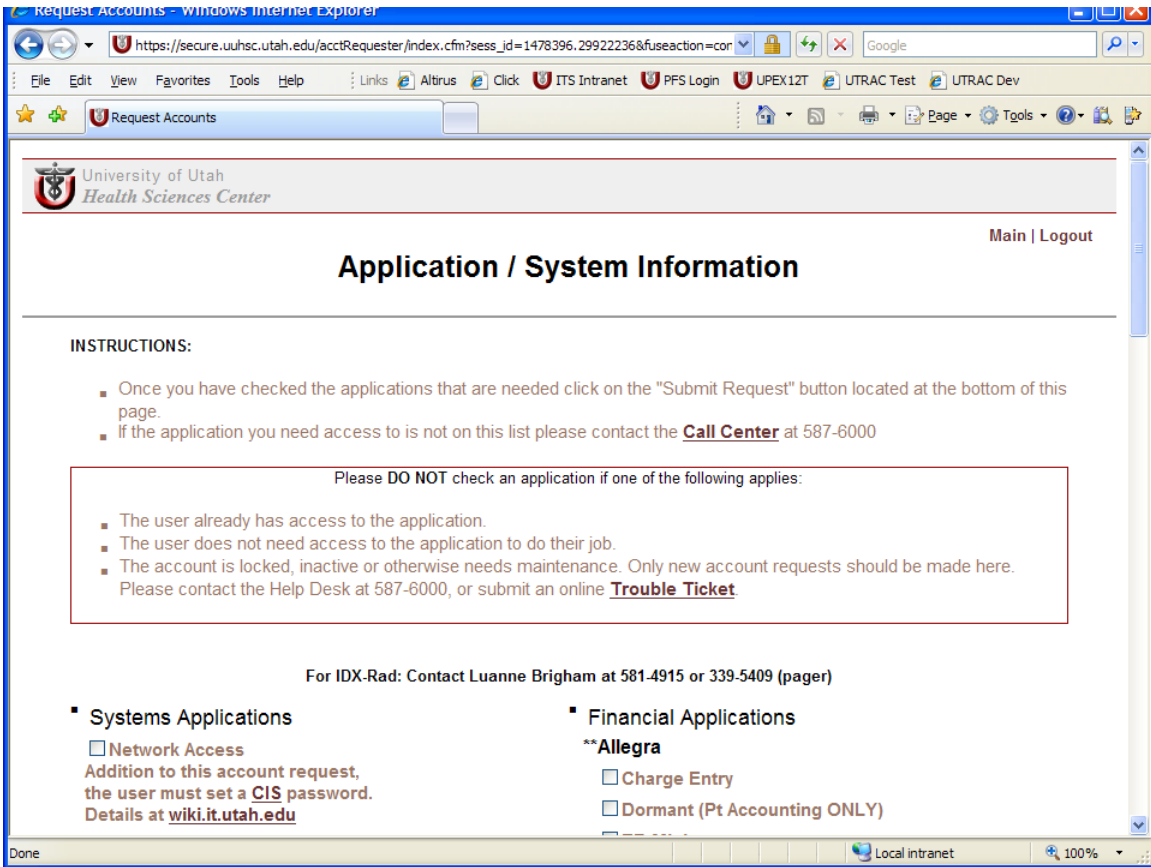

University of Utah Health Sciences Center 50 North Medical Drive, Salt Lake City, Utah 84132
HSC Webmaster

5. After clicking on “Find”, the following screen will display your information and the information of the person for whom the request is being made. Clicking “Continue” will display this screen.

6. After clicking “I Accept” a screen listing all Hospital supported applications will be displayed.

7. A checkbox for UTRAC will be under the “** Other Applications” in the right column about half way down. Click on “Submit Request” at the bottom of the page to continue.

8. On the final screen, you can indicate this person's login should behave like another person's login and/or will be replacing another person.

Click on the "Help Information" link to display the available roles (i.e. user privileges) with UTRAC. On the "Notes" box, please indicate what roles this user should have.

Click on "Submit Request" to finalize the request.
