

## Family Medicine Opportunity

The Family Medicine Residency Program at the University of Utah in Salt Lake City is seeking 4 board certified family physicians to work as academic clinicians in our growing practice. In addition to clinical practice, duties include teaching and supervision of family medicine residents in clinical and classroom settings; obstetrics negotiable. The University of Utah is an OEO/AA employer and encourages applications from women and minorities.

Send letter of interest, current CV, and three references to:

Michael Magill, MD, Professor and Chair
