The University of Utah Physician Assistant Program at the University of Utah is seeking applicants for a full-time, 12 month, faculty position at the rank of Assistant Professor (non-tenured, lecturer track) in the Division of Physician Assistant Studies.

The program’s close affiliation with the University of Utah Health Sciences Center provides faculty an opportunity to become involved in research and development as well as being an environment conducive to educational and technological advancements.

**Job Responsibilities:**
We seek an experienced clinician and educator to join our faculty team. The successful applicant will serve as a general faculty member with primary responsibilities within the didactic year. This is a newly created full-time, 12-month faculty position with rank commensurate with qualifications.

The responsibilities of this position will primarily be to work with members of the didactic team in year-round teaching, assessment and administration of the didactic year. Additionally, the faculty member will participate in the admissions process, masters project advising, program evaluation and planning as well as advisement and assessment of students in the didactic and clinical phases of the curriculum.

**Qualifications-Required:**
Applicant must have a master’s degree or higher from a regionally accredited academic institution. The following are also requirements:

- A current NCCPA certification
- Hold or be eligible for unrestricted Utah State PA licensure
- A minimum of five years clinical experience
- Excellent leadership, communication, and organizational skills
- Interest in areas that align with our program mission is strongly preferred
- A strong interest in scholarship and professional development

**To Apply:**
The search committee will accept applications until the position is filled. Applicants should include a letter describing relevant experiences and interest in the position, curriculum vitae, a complete application and the names and contact information of three personal references.
