Certificate in Public Health

The Division of Public Health in the Department of Family and Preventive Medicine is pleased to announce a graduate Certificate in Public Health.

The Public Health Certificate gives students the potential to understand the opportunity and connection public health has in an array of fields such as biostatistics, social behavior, epidemiology, policy and administration and environmental public health through research, service and education. Also, the Certificate will provide local professionals working in the field of public health an opportunity to seek training and certification that will directly impact how they address public health issues in their current professions.

Application deadlines are
(Please note our deadlines are later than the University of Utah Admission office and you will be responsible for any late fees):
Fall July 1
Spring December 1
Summer April 1

The admission and course requirements are:
