

Office of Diversity and Community Outreach

Sorenson Multicultural Center

[HomeK-12 Activities](#) Sorenson Multicultural center afterschool & Summer Programs

Participants

1st and 8th Grade Students

About the Program

The Sorenson partnership began in the summer of 2008 and was very successful. The goal of the program is to expose the youth to activities in science and medicine. The students will also be introduced to further opportunities with the DCO offices such as Science Power and Future Doctors.

Hands on Activities

- Cow Heart Dissection
- Glow Germ Activity
- Femur Bone Dissection
- Kidney Dissection
- Lung Dissection
