INTERNATIONAL MEDICAL GRADUATES - AS VISITING RESIDENTS
GME 15.2 Review Date: February 2016
Chapter: International Medical Graduates

I. PURPOSE:

To provide guidelines regarding international medical graduates as visiting residents.

II. POLICY:

Because international medical graduates enrolled in residency programs outside the United States are not participating in ACGME accredited programs, it is the policy of the University of Utah Affiliated Hospitals, as established by the Graduate Medical Education Committee, that they will not be accepted or approved as visiting residents in University of Utah Affiliated Hospitals accredited residency programs.

An international medical graduate enrolled in a residency program outside the United States, or practicing outside the United States, may be a "Clinical Observer" at University Hospital. Please refer to policy "Clinical Observer/Shadowing Policy," GME 7.2.
