What is Ovarian Cancer?

Ovarian cancer is a disease produced by the rapid growth and division of cells within one or both ovaries.¹

- Ovarian cancer is the 8th most common cancer among women, excluding non-melanoma skin cancers
- Every day, over 65 women will be diagnosed with ovarian cancer in the United States.
- About 22,430 women will be told they have ovarian cancer in the United States this year
- Ovarian cancer accounts for about 3% of all cancers in women.
- A woman’s risk of getting ovarian cancer during her lifetime is 1.5% or about 1 in 67.
- Her lifetime chance of dying from ovarian cancer is 1.05% or 1 in 95.
- Ovarian cancer ranks 5th in cancer deaths among women, accounting for more deaths than any other cancer of the female reproductive system.
- It is estimated that there will be 15,280 deaths from ovarian cancer in the U.S. during 2007
- About 76% of women with ovarian cancer survive 1 year after diagnosis, and 45% survive longer than 5 years after diagnosis.
- The risk of developing and dying from ovarian cancer is higher for Caucasian women than African American women.
- Women younger than age 65 have better 5-year survival rates than older women. If diagnosed and treated while the cancer has not spread outside the ovary, the 5-year survival rate is 93%.
- However, only 19% of all ovarian cancers are found at this early stage.

Susan Sandoval Run for Ovarian Cancer
How You Can Help
Susan Sandoval Ovarian Cancer Run for Her life event: Saturday, September 6, 2014

The Susan Sandoval Cancer Fund is in need of sponsors who will help support our 2014 Run for Ovarian Cancer. Donations can come in the form of cash, credit cards, checks, or in-kind contributions. Among the in-kind contributions needed for this event to be a success are post-race food and beverages, printing, advertising, and items for various drawings. The benefits of sponsoring the race are significant. Among the benefits are:

- Association of you and your organizations’ name with a well-known charity event
- Visibility on race entry forms, flyers, t-shirts, promotional materials, race-day events, and website
- Build employee morale and company pride with corporate and/or team sponsorships
- Contributing to the mission of researchers and physicians in the Department of Obstetrics and Gynecology in the goal of becoming one step closer to finding a cure for ovarian cancer!

Donations to the event can be made in any amount. Sponsorships are as follows:

**Platinum Level ($3,000+ donation):** Dominant placement of your logo on race T-shirts, poster, entry forms, and website. Premium prominence in our advertisements and race day announcements. Corporate promotional material (supplied by sponsor) can be inserted in race day packets. Ability to display up to six company banners along course (supplied by sponsor). Eight complimentary entries. Presence at race with a booth to promote company/products (with approval from race committee). Company name and website linked to the race website and sponsors page.

**Gold Level ($1,500- $2,999):** Secondary placement of your logo on race T-shirts, posters, entry forms, and website. Prominent appearance in our advertisements and race day announcements. Corporate promotional material (supplied by sponsor) can be inserted in the race packets. Five complimentary entries. Display up to 3 company banners along course (provided by sponsor). Presence at race with a booth to promote company/products (with approval from race committee). Company name and website linked to the race website and sponsors page.

**Silver Level ($1,000- $1499):** Tertiary placement of your logo on race T-shirts, posters, entry forms, and website. Featured in advertisements and race day announcements. Corporate promotional material (supplied by sponsor) can be inserted in the race packets. Three complimentary entries, and use of Susan Sandoval Run for Ovarian Cancer logo on your Web site, print or media ads, with approval. Presence at race with a booth to promote company/products (with approval from race committee). Company name and website linked to the race website and sponsors page.

**Bronze Level ($250-$999):** Includes name on race T-shirts, posters, entry forms, and website. Also, featured in ads and race day announcements. Corporate promotional material (supplied by sponsor) can be inserted in the race packets. Company name and website linked to the race website and sponsors page.

**Honorary Level ($1-$249):** Includes name on website. Corporate promotional material (supplied by sponsor) can be inserted in the race packets.
