Women in Academic Orthopaedics Summer Internship Announcement

Interested in Exploring Orthopaedic Surgery?

The University of Utah’s Department of Orthopaedics and Office of Health Equity and Inclusion and the American Medical Women’s Association announce the inaugural Women in Academic Orthopaedics Summer Internship!

Women medical students who have completed their first year of medical school in good standing and are interested in an in-depth orthopaedic surgery experience are encouraged to apply.

Work alongside experienced female and male orthopaedic surgeons and mentors in the clinic and the operating room. Prepare and present a poster at a local and national meeting.
