

**DOT
HAZARDOUS MATERIALS
TRANSPORTATION
TRAINING
July 14-16, 2009**

Get the training you need for all personnel involved in the preparation, documentation, packaging, labeling, shipping or transportation of hazardous materials! Topics include: completing shipping papers, selecting DOT approved packaging, marking, labeling and placarding requirements. This course includes the new security training requirement as well. The course involves hands-on practical exercises and a final exam as required by DOT. A copy of Title 49 CFR Parts 100-185 (the DOT's regulations for hazardous materials transportation) is included.

Attendees will receive a certificate of completion.

**DOT
HAZARDOUS MATERIALS
TRANSPORTATION
REFRESHER
July 17, 2009**

This one-day seminar is designed to meet the recurrent training requirements for hazardous materials handlers regulation by Department of Transportation (DOT) Hazardous Materials regulations. Under DOT, refresher training is required every three years for hazardous material employees that select or fill packages, label containers, fill out shipping papers, load or unload cargo vehicles or containers, operate transportation equipment, or at responsible for the safe transportation of hazardous materials (including hazardous waste).

REGISTRATION

Advance registration is preferred. Payment IN FULL must be received prior to the start of the course. Tuition for the DOT Hazardous Materials Training course is \$435. Tuition for the DOT Hazardous Materials Refresher course is \$175.

4 Easy Ways to Register

Telephone your registration information to the Course Coordinator at 801-581-4055. Payment or purchase order should follow within two weeks.

Fax your completed registration form, followed by payment or purchase order within two weeks. FAX: 801-585-5275.

Mail completed registration form with check or company purchase order to the address on the reverse side. You are considered registered when full payment or a purchase order has been received. If you expect payment delays, send completed registration form now and your payment within two weeks.

ONLINE registration (<http://medicine.utah.edu/rmcoeh/ContEdProg/2009courseschedule.htm>) is available; payment must follow within two weeks.

CREDIT

These courses will be awarded Continuing Education Units (ceu's), the national standard for recognition of non-university professional education. ABIH CM points have been requested.

LOCATION

These courses will be held at the RMCOEH in Salt Lake City, Utah. Information regarding accommodations will be sent upon receipt of registration.

**CANCELATION/
SUBSTITUTION POLICY**

If you are unable to attend, a substitution can be made at any time without charge. Refunds, less a \$50 administrative fee, can be issued on request for all cancellations except those postmarked or faxed within 10 business days of the course, for which no refunds or credit will be given. In the case of course cancellation by RMCOEH, the Center's liability is limited to the full refund of the course fee.

TUITION ASSISTANCE

These programs were developed with support from the National Institute for Occupational Safety and Health (NIOSH), Centers for Disease Control and Prevention, Public Health Service, US Department of Health and Human Services. Partial tuition waivers are available to personnel from state, and local health and environmental agencies needing training related to hazardous substances response. Please complete the enclosed form if you wish to submit a tuition waiver request for consideration.

PRIMARY COURSE FACULTY

Mark Dumas, MSPH, Salt Lake Community College
