ARE YOU LOOKING FOR AN EASY WAY TO HELP THE CAUSES YOU CARE THE MOST ABOUT?

An IRA gift may be of benefit if . . .

- You are looking to reduce your taxable income. Up to $100,000 per year can be gifted from an IRA, significantly reducing taxable income, and gifts are also eligible for the Required Minimum Distribution (RMD), which can lower taxable income.
- You want to give more than your normal giving this year. An IRA rollover does not count towards the 50% annual limit on charitable gifts.
- You wish to make a significant gift without using cash or other assets.
- You are looking to avoid falling into the Alternative Minimum Tax (AMT) or incurring the Affordable Care Act (ACA) tax.
- You do not need all or a portion of your IRA income.
- You wish to support the research and educational goals of the Rocky Mountain Center!
