^Graduating MSIV's would participate in the TTI course from 05/01/17-05/12/17 and then end with a one week break prior to graduation. Anticipate that enrollment in coursework offered in Rotation 12 would largely be used by MSIII's and off-track MSIV's graduating in December.

Comments:

- Do we want to incorporate Transition Course into Spring Dates?
- Longitudinal Course?
