UU = University of Utah Hospital

OTHER INFO

3 weeks of vacation are permitted per year, per fellow. Vacation weeks of the fellows choosing can be taken during Outpatient or Research blocks

Specific block assignments for each year are subject to change depending on the schedule and division coverage needs for each fellow, but will not exceed the above allocation numbers of Inpatient, Outpatient, and Research for each year

Fellows may do consults at University of Utah Hospital at various times throughout the year, but there is no designated month or amount of time they spend there
