

Department of Biochemistry Presents

The Rising Star Symposium

Thursday, September 22nd

HSEB 2600

Session 1: Structural Biology/Imaging

10:40 am – 1:00 pm

Lunch

Session 2: Cell Biology

2:15 pm – 5:00 pm

Friday, September 23rd

HSEB 2680

Session 1: Chemical Biology

10:00 am – 12:00 pm

12:00 pm – **Keynote Speaker: Randy Peterson, Ph.D.,**

Harvard University,

Following the heart, brain, and gonads in pursuit of new small molecules

Lunch

Session 2: Metabolism

2:15 pm – 5:00 pm

Lunch provided, no registration necessary
