

Department of Biochemistry Presents

The Rising Star Symposium

Thursday, September 21st

Session 1: Chemical Biology – HSEB 3515B

9:30 am - 12:30 pm

Break for lunch

Session 2: Protein Design – HSEB 2680

2:00 pm – 5:00 pm

Friday, September 22nd

Session 1: Metabolism – HSEB 3515B

9:00 am – 1:00 pm

Break for lunch

Session 2: Structure/Imaging

2:10 pm – 4:30 pm

featuring

Keynote Speaker: Erik Jorgensen, Ph.D.,

University of Utah

Bending membranes during ultrafast endocytosis

Contact: Michael Kay (kay@biochem.utah.edu)
