**Dermatopathology** is an essential component for correct diagnosis and treatment of skin disorders. Our laboratory offers comprehensive microscopic diagnosis for nail, hair and skin conditions. Our team consists of four Board Certified Dermatologists and Dermatopathologists, Anneli R. Bowen, M.D., Keith L. Duffy, M.D., Scott R. Florell, M.D., and David A. Wada, M.D., all of whom are trained in clinical dermatology and evaluate patients at the University of Utah Health Care Dermatology Clinics in addition to interpreting dermatopathology specimens. Their expertise covers a wide range of neoplastic and inflammatory skin diseases.

**DERMATOPATHOLOGY TESTING SERVICES**
- Skin biopsy review
- Professional dermatopathology laboratory services
- Technical dermatopathology laboratory services
- Consultative review (second opinion) of pathology slides
- Special stains
