

## Family Medicine with OB Physician Faculty

The Department of Family and Preventive Medicine, Division of Family Medicine, is looking for outstanding physician educators to join our multi-disciplinary faculty. We are committed to excellence in patient care, the highest standard of training for medical students and residents, and participation in multi-disciplinary scholarship. If you share this passion for excellence, we invite you to become an integral part of our Family Medicine faculty team.

### Qualifications

1. Board certification by The American Board of Family Medicine
2. Unrestricted Utah State medical license
3. Experience in clinical medicine, teaching and scholarship is preferred.

### Responsibilities

- 0.1 FTE - Education and scholarship
  - Scholarly projects
  - Teaching in didactic and small group formats
  - Mentorship and evaluation of residents
- 0.1 FTE - Clinic attending of residents
- 0.8 FTE - Direct patient care activities

Obstetrics practice is required with this position. Clinical resources include:

- In-house back up from the University of Utah Department of OB-GYN
- Manageable call schedules
- Favorable malpractice environment

The vision of the Department of Family and Preventive Medicine is "Expanding the Possibilities of Health." We are a strong multi-disciplinary department committed to diversity and inclusion, and to excellence in our core missions of clinical care, education, research and scholarship, and community engagement. The University of Utah is internationally known for its innovative programs in the transformation of health care. We invite you to explore the quality of life in Salt Lake City, the growing capital of our increasingly diverse state. We enjoy rich cultural opportunities in our urban core, along with unparalleled access to the outdoors.
