ANNOUNCEMENTS

• Congratulations to Nadia Cobb! She has been appointment by the University Academic Senate as Chair for the Senate Committee on Academic Freedom and Faculty Rights.

• Congratulations to the Madsen, Sugarhouse, and Centerville Family Medicine clinics. All three clinics received recognition by the National Committee for Quality Assurance Patient-Centered Medical Home Program. South Main should also be added to this list. Many years of work went into these accreditations.

• The patient-centered medical home is a model of care that puts patients at the forefront of care. PCMHs build better relationships between patients and their clinical care teams.

• Welcome to new hires Eli Moreno, Jordan Knox and David Owen.
