• 1984 – F. Marian Bishop, Ph.D. named the second chair of the department
• 1991 – Department name changed to Family & Preventive Medicine
• 1995 – Michael K. Magill, M.D. named third chair of the department
• 2008 - Divisions created in the department
2009 Retreat

Vision
To protect and improve the health of all individuals and communities by advancing the science and practice of primary care and prevention.

Mission
To address current and emerging healthcare needs by educating healthcare professionals, conducting basic and applied research, and implementing state-of-the-art clinical and community-based health services.

Values
Intellectual curiosity, respectful working environment, integrity, collaboration, accountability, excellence.
The Department of Family and Preventive Medicine exists to optimize health and quality of life through scholarship.
