STUDENT RESOURCES

There are academic and administrative steps involved in earning a degree from the Division of Public Health. The Graduate School and the Division of Public Health Program both have specific requirements. These guidelines describe the academic requirements and procedures. Students are expected to know and follow the guidelines. You can find these guidelines by going to the following websites and then selecting “PH Policies & Guidelines.”

If you have further questions, consult an academic advisor from the Division of Public Health, 375 Chipeta Way, Suite A:

April Sanders-Aboulila, academic program manager and advisor for MPH Utah Asia Campus
April.aboulila@utah.edu | 801-581-6385

Hailey McCormick, academic advisor for MSPH, MSTAT-Biostatistics, and PhD students
Hailey.mccormick@utah.edu | 801-585-6808

Kelsey Townsend, academic advisor for MPH Salt Lake City students
Kelsey.townsend@utah.edu | 801-587-7896

BUILDING ACCESS

Recent events have highlighted the need to enhance the security of our buildings and the safety of our DFPM faculty, staff and students. In response to these events, the Department of Family and Preventive Medicine installed a security system at 375 Chipeta Way that will work with university ID badges.

The main entrance by the front desk will be open Monday – Friday from 8:00am-5:00pm with an exception of 8:00am – 6:30pm when evening classes are scheduled. Faculty, senior staff, doctoral students, and post docs will have card access to the building 24/7. All other students will have card access during building operating hours: M – F, 7:00am to 8:00pm.

If you do not have a student ID, it is imperative that you get one. You can pick up a student ID at the Student Union prior to classes starting. A UCard can be ordered online or picked up at the Union or School of Medicine. You can find locations and times here: https://ucard.utah.edu/.

CEPH

The acronym "CEPH" stands for the Council on Education for Public Health--the official accrediting body for schools and graduate programs in public health. Our program has been accredited since 1978. We were one of the first three community health/preventive medicine programs to be accredited. You can see information about CEPH here: https://ceph.org/

COMMUTING TO CAMPUS

- All students with a valid ID have access to TRAX, UTA buses & Frontrunner trains for free! Text the stop number to 882882 for times.
- It’s easy to plan your route with the shuttle tracker website (www.uofubus.com) or by texting a stop identification number to #41411.

Free services for commuters:
- Email & Text Message Alerts: Get information about road construction, special events and other events that may impact your commute. If you leave your headlights on or something else occurs where they need to contact you, they’ll send you a text message if your cell number is accessible.
- Dead Battery? They’ll jump-start your car. Call 801-581-3204.
- Lock your keys in your car? They can help. Call 801-585-2677.
- Emergency Ride Home: If you come to campus on TRAX or bus and an emergency arises where you have to get home, they’ll get you there.
- Help with bicycle repairs: They have an excellent bicycle mechanic who can help with recommendations and minor repairs. There is also a university bicycle collective providing access to tools and bicycle repairs in the sandstone east entrance of the Museum of Fine Arts.

More information can be found at http://commuterservices.utah.edu/

COMPUTER LAB

The computer lab is located downstairs in Room 108.

Student Resources 07/16/2019 Page | 3
Login: Unid
Password: is the same as your (Campus Information System) CIS
If you have problems logging in call 801-587-6000.

You can print for $0.04 - .08 per page depending on black and white, color and/or double-sided. To add money on your account, please visit the front desk by the main classroom. Plan accordingly as funds may not post to your account immediately.

**EMERGENCY COMMUNICATION CHANNELS**

**University Emergency Texting Service**
You can sign up for campus alert system through Campus Information Systems (CIS) using the on the employee or student tab page by providing a phone number for the alert system. Below is a picture of the icon to enroll when logging into CIS and selecting the tile with your name and Unid.

![Campus Alert](image)

**Texting Service – Department Specific**
The department will send out text in addition to the University Campus Alert System. We recommend you enroll in both services to ensure you receive the most up to date information.

To sign up for the department specific text system, you can sign up by texting "DFPM" to 55222. Please note these messages will be department specific regarding building closures, delayed openings, class cancellations, etc.

**Department Office Status Phone Number**
The department has set up a phone number that can be called for updates regarding building closures, delayed openings, class cancellations, etc. When there are no updates, the phone has a standard message in effect. The message lists office hours, location, and numbers to call if you are trying to reach a physician. Please note the messages left on this line are not checked.

The office status phone number is 801.581.4888

Please feel free to check this phone line if you believe there will be a change in operating hours for the department offices.

**Clinic/Hospital Employees should also check on the status of their clinic location**

**FINANCIAL AID**
The Office of Scholarships and Financial Aid provides detailed information and assistance for financial aid (grants and loans) and scholarships. Please visit their website at [http://financialaid.utah.edu/](http://financialaid.utah.edu/) for up-to-date information and deadlines on applying for financial assistance.

**HONOR SOCIETIES**
These society memberships are awarded at graduation.
**DELTA OMEGA** is the honorary society for graduate studies in public health. Every year, up to 10% of graduating students are nominated and inducted into this society based on academic achievement and their contribution to public health. There is a one-time inductions fee of approximately $50. Election to membership in Delta Omega is intended, not only to recognize merit, but also to encourage further excellence in and devotion to public health work.

**PHI KAPPA PHI** is the nation's oldest, largest, and most selective all-discipline honor society. Membership is by invitation only given to the top 10% of seniors and 7.5% of juniors. Faculty, professional staff, and alumni who have achieved scholarly distinction also qualify. The Society's mission is "To recognize and promote academic excellence in all fields of higher education and to engage the community of scholars in service to others."

**PARKING**

Parking is free for all Public Health students parking around 375 Chipeta Way on the second level. Do not park on the first or third level or in the Visitor spaces. Overflow parking is to the north west side of the Occupational and Environmental Health building (391 Chipeta Way).

**SCHOLARSHIPS**

Watch for e-mails to come out mid-fall that will contain the requirements and criteria for any available Division of Public Health Scholarships.

The Office of Scholarships and Financial Aid at the University of Utah offers a searchable scholarship database here https://financialaid.utah.edu/types-of-aid/scholarships/other-resources.php and here https://utah.academicworks.com/opportunities

For information regarding Graduate Fellowship Opportunities, please visit the Graduate School http://gradschool.utah.edu/tbp/graduate-fellowship-opportunities/

**STUDENT ADVISORY COMMITTEE (SAC)**

The Student Advisory Committee (SAC) is comprised of a group of Public Health students. Its purpose is to promote and organize activities that provide an opportunity for communication and interaction among students, faculty, staff, and administrators. In addition, committee members assist with promoting student organizations, promoting department activities, coordinating community outreach activities, faculty retention, promotion, and tenure. Students interested in becoming a member of SAC or serving on this committee please visit the SAC webpage, http://medicine.utah.edu/dfpm/public-health/student-advisory.php or contact the current SAC president.

**UTAH PUBLIC HEALTH STUDENT AMBASSADORS (UPHSA)**

Utah Public Health Student Ambassadors teach high school and college students the importance of Public Health in their communities and worldwide. They travel to high schools and colleges around the state inspiring students to explore the field of public health. Being a part of UPHSA will give you leadership and teaching experience, improve your resume, and offer networking opportunities. Additionally, food, lodging, and car rentals during your travels are free! If you are interested in joining UPHSA, email UPHSA@utah.edu for more information.
ACADEMIC INFORMATION

ACADEMIC ADVISORS

Academic Advisors are available to answer your questions and help you navigate your graduate studies at the University of Utah and Division of Public Health. Walk-in appointments are welcome but if you require more than 10 minutes, please schedule an appointment.

COURSEWORK

Your official worksheet with required classes can be found online on our website.

How can I find out what is being offered each semester and where the classes are taught?
The list of classes taught and times can be found www.utah.edu home page >Academics > Catalogs, Schedules & Calendar>Class Schedules >select semester >select department (PBHLT for Public Health).

Can I waive a course if I’ve had equivalent courses elsewhere?
The equivalent course must be evaluated and approved by the faculty members in charge of the course. Contact April Sanders-Aboulila, Hailey McCormick or Kelsey Townsend for additional paperwork.

Some of your professors will use Canvas https://utah.instructure.com/ for course syllabus, assignments, quizzes and tests.

ELECTIVES

All students must have prior approval from your faculty advisor before an elective class from outside PBHLT is taken for the course to count as part of the student’s degree requirements. See ‘FACULTY ADVISOR’ heading.

Please note that you will be charged the Division of Public Health tuition rate unless the program in which you are taking the elective charges a differential.

EVALUATIONS

I understand most courses have evaluations. If I offer constructive criticism, will the instructor "hear" my comments? Why do we have to do this?

The reason we must have evaluations is that the University requires it (besides, they can be helpful.) And yes, believe it or not, instructors and the Division Chief do read evaluations for the courses, and do not simply dismiss negative criticisms. In some instances, of course, it is not possible to make changes (e.g., the suggestion to have smaller classes). In other instances, we try to make a change (e.g., speak more slowly). We assume that the student responds to the evaluations responsibly and on the basis of an objective and thoughtful review of the course--not simply vindictively.

Note: Instructors do not have the opportunity to see evaluations until after grades have been submitted. All course evaluations are anonymous.

FACULTY ADVISOR

Student Resources 07/16/2019 Page | 6
Starting fall 2017 a set committee was implemented for students in the Master of Public Health degree. Students in the MPH program will have three faculty committee members that are available for approval of electives, career advising, practicum advising, etc. It is recommended that students meet with one of them for 15-20 minutes each semester. It is the student’s responsibility to initiate and arrange these meetings. Please view their office hours for availability.

Faculty Advisor requirements have remained the same for Master of Science in Public Health students. If you are a MSPH or PhD student you will meet with the faculty advisor you identified in your admission application. The faculty advisor will assist in the planning of courses, potential research projects, and support you in understanding how to meet all University requirements. In addition, the initial faculty advisors role is to help select faculty members for your supervisory committee and assist in the development of your project/thesis. You may choose to change your original faculty advisor to one that is more appropriate for your interests.

Schedule a meeting with your faculty advisor during your first semester. During this meeting you will discuss your remaining coursework including electives and complete competency mapping for elective courses. You will also discuss career and academic goals and have your faculty advisor sign off on your tracking sheet after the meeting.

During your second semester, you will schedule another meeting with your faculty advisor. During this meeting you will review your career goals, discuss practicum and project/thesis opportunities, and make sure you are on track to finish the program. Your faculty advisor will sign off on your tracking sheet after the meeting.

**IMPORTANT DATES**

Important dates pertaining to your degree can be found on the Graduate School webpage at [http://gradschool.utah.edu/](http://gradschool.utah.edu/) under ‘Current Students’. The University of Utah academic calendar is available at [http://registrar.utah.edu/academic-calendars/index.php](http://registrar.utah.edu/academic-calendars/index.php). You are responsible to be aware of these dates.

**LEAVE OF ABSENCE**

If you need to take a semester off, it is possible to do so if there is a good reason. Your justification for the leave needs to be reported on the Graduate Student Request for Leave of Absence form. This form is available on the University of Utah Graduate School web site: [http://registrar.utah.edu/_pdf/graduate-leave-absence.pdf](http://registrar.utah.edu/_pdf/graduate-leave-absence.pdf) The form needs to be signed by your faculty advisor then given to your academic advisor who will get the Division Chief signature and send it to the Graduate School.

**OFFICIAL POLICIES**

Policies and guidelines are updated periodically. Please review these policies from time to time or visit your academic advisor for any clarification you may need. Division of Public Health policies can be found here: [https://medicine.utah.edu/dfpm/public-health/pdfs/division_public_health_policy.pdf](https://medicine.utah.edu/dfpm/public-health/pdfs/division_public_health_policy.pdf). Master of Statistics: Biostatistics policies can be found here: [https://medicine.utah.edu/dfpm/public-health/pdfs/biostat_student_policy_manual.pdf](https://medicine.utah.edu/dfpm/public-health/pdfs/biostat_student_policy_manual.pdf). General graduate school policies can be found here: [https://gradschool.utah.edu/graduate-catalog/](https://gradschool.utah.edu/graduate-catalog/)

**REGISTRATION**
During fall and spring semesters, you are required to register for a minimum of three (3) credits. Full time is nine (9) credits and we do not recommend anything over twelve (12) credits. According to the Graduate School’s policies, students cannot take more than sixteen (16) credits in any semester. During summer, you do not need to register for any courses, but if you register it needs to be a minimum of three (3) credits.

If I want/need to take a semester off, what do I need to do?

Student can take a leave of absence for one or more semesters (other than summer) for a maximum of one year but are required to complete the Graduate Student Request for Leave of Absence form. The form is available at [http://registrar.utah.edu/_pdf/graduate-leave-absence.pdf](http://registrar.utah.edu/_pdf/graduate-leave-absence.pdf). If you have not taken a leave of absence or are not in an active status, you will be dropped from the Graduate School's rolls and must reapply to the program.

Do I have to register for classes during summer semester?

Fall and Spring semesters are considered an academic year. Registering for summer semester is optional.

Do all students, including international students, pay the Division of Public Health resident tuition rate during summer semester (see International Student Vacation Semester below)?

Yes, ALL students pay Division of Public Health resident tuition rate during Summer Semester. Additional details for International Students below:

How long can I take to finish my degree?

Officially, the permissible time is four academic years for Master Degrees and seven years for Doctoral Degrees. However, if there are defensible reasons for not completing the degree sooner, the time period may be extended by petition.

**SUPERVISORY COMMITTEE**

Graduate School regulations require that each student work with a faculty advisor to plan courses or research, and understand how to meet all University requirements. In addition, the faculty advisor to whom you are initially assigned can help you select faculty members for your supervisory committee. You may choose to change your original faculty advisor to one more appropriate for your interests.

Graduate School regulations require that each student work with an advisor to plan courses or research, and to know how to meet all University requirements. Advisors have good advice—and can serve as interpreters of regulations and scheduling dilemmas. MStat in Biostatistics and PhD students are assigned an initial advisor. Students may change their advisors based on interests and faculty availability and consent.

To form a supervisory committee, the student first discusses prospective members of the committee with their advisor, and then talks to those faculty members about their interests and availability. Finally, after all faculty members have agreed to serve, a form is completed and initialed by each member of the committee. The form should be given to the students’ academic advisor. [http://www.utah.edu/graduate_school/supervisory.pdf](http://www.utah.edu/graduate_school/supervisory.pdf)

A supervisory committee advises on course selection, practicum suggestions, career direction, and other relevant academic matters.
**TUITION**

The Division of Public Health Tuition includes a differential, and does not fall under the General Graduate Tuition rate. If you are earning your degree from the Division of Public Health, you will be charged the differential.

**Division of Public Health Tuition:** Fees for residents and non-residents can be found here:
- Resident: [http://fbs.admin.utah.edu/download/income/Graduate/PHGraduateRes.pdf](http://fbs.admin.utah.edu/download/income/Graduate/PHGraduateRes.pdf)
- Non-resident: [http://fbs.admin.utah.edu/download/income/Graduate/PHGraduateNRes.pdf](http://fbs.admin.utah.edu/download/income/Graduate/PHGraduateNRes.pdf)

Make sure if you view the Tuition Rate from the Tuition Rate Schedules you select **Division of Public Health** not General Graduate tuition. This rate applies to *all* Division of Public Health Students. The only time this may be different is if an elective class also charges a differential, instead of double charging, you will usually pay the other program’s tuition rate (higher or lower).

If you are an employee of the U and are eligible for the employee discount, the discount only applies to the Graduate School tuition base rate **NOT** the full Division of Public Health rate. To find out if you are eligible, you will need to speak to your employer for more information.

---

**GRADUATION AND BEYOND**

**GRADUATION**

Graduate School regulations require *all* graduate students to complete all necessary graduation forms including signatures (one chair and two members) by the due dates listed below:

- May (Spring) graduation forms must be submitted **NO** later than November 1
- August (Summer) graduation forms must be submitted **NO** later than March 1
- December (Fall) graduation forms must be submitted **NO** later than July 1

You must turn in the Application for Admission to Candidacy form to the academic advisor and the Graduation Application must be submitted to the Graduation Office, as well as to your academic advisor before dates listed above. The Graduation Application can be found through your CIS portal. *This will involve some planning ahead on your part.* Once submitted continue to check the Campus Information System (CIS) > Graduation > Graduate Student Summary > Grad Student Program of Study for accuracy and faculty approval.

For more information on how to apply for graduation please refer to our website: [https://medicine.utah.edu/dfpm/public-health/programs/student-resources/graduation-forms.php](https://medicine.utah.edu/dfpm/public-health/programs/student-resources/graduation-forms.php)

---

**DIVISION OF PUBLIC HEALTH ALUMNI ASSOCIATION**

The Alumni Association officially formed in September 2016. The main focus of the association is to offer networking, collaboration and professional development opportunities for graduates of the Division of Public Health while also encouraging a relationship with current students of the program. For more information and how to become a member, please review the Alumni Association [website](#).
We are always interested in how our graduates' careers develop. We are proud of what has been accomplished in the Program, and it is with pleasure that we show lists of graduates to outside review committees, deans and officials of the University, and other interested parties. Our accrediting agency is especially interested in our alumni, where they are, what they are doing, and how they are using their public health training.

JOBS

Although there is no guarantee of a job, you can be assured of being very well prepared and credentialed in the search for employment. For MPH students your practicum experience can potentially lead into a career. Ask faculty members for advice about job searches. Also, make sure to review the weekly email sent out by Division of Public Health Staff for job postings. You should also review the career resources page on our website.

ADDITIONAL RESOURCES

ASUU (ASSOCIATED STUDENTS OF THE UNIVERSITY OF UTAH) TUTORING CENTER

The ASUU Tutoring Center provides individual tutoring ($7 per hour) and group tutoring sessions ($4 per hour) for currently enrolled University of Utah students. Students can receive assistance for a wide range of subjects at a reasonable rate. http://tutoringcenter.utah.edu/

BOOKSTORES

Your PBHLT class books will be available at the Health Sciences Bookstore located in the Health Sciences Education Building (HSEB), 26 South 2000 East, Salt Lake City, 84112. http://www.hsstore.utah.edu/home.aspx

- Other school supplies, textbooks and U of U gear can be found at the Campus Bookstore. http://www.campusstore.utah.edu/utah/Home.aspx
- Eccles Health Sciences Library: Great staff that can help you locate research articles, etc. easy location next to the HSEB. http://library.med.utah.edu/index.php
- Marriot Library: Extended hours, helpful staff and rooms that can be reserved for group study sessions. http://www.lib.utah.edu/index.php

FREE WITH STUDENT ID

University students have access to many attractions for free with a student ID including:

- Pioneer Theater
- Red Butte Gardens
- Museum of Fine Arts
- Natural History Museum
- And many more! Make sure to keep an eye out for student discounts at local restaurants, bars, community events and ski passes.

HOUSING
Graduate Student Housing: [https://housingoptions.utah.edu/graduate-housing/](https://housingoptions.utah.edu/graduate-housing/)

**MUSS**

**PLACES TO EAT NEAR RESEARCH PARK**

- Allie’s American Grille: Marriott Hotel on Wakara Way
- Corner Bakery Café: 610 Foothill Blvd
- Heart of the Park Food Trucks: Marriott Hotel parking lot on Mondays, Wednesdays, and Fridays
- Natural History Museum of Utah – The Museum Café: 301 Wakara Way
- Knickerbockers Deli: 421 Wakara Way
- Starbucks Café: Marriott Hotel on Wakara Way
- Subway: 675 Arapeen Drive
- Williams Building Café: 295 Chipeta Way
- University Neuropsychiatric Institute cafeteria: 501 Chipeta Way (2nd floor)
- Starbucks Café: University Neuropsychiatric Institute, 501 Chipeta Way (2nd floor)

**SPENCER S. ECCLES HEALTH SCIENCES LIBRARY**

The Health Sciences Library is the official library for School of Medicine students. Students can access library resources anywhere by signing in using the “off-campus access” link. Students also have 24/7 access to the library facilities. [https://library.med.utah.edu/](https://library.med.utah.edu/) [https://library.med.utah.edu/ed/remoteaccess.php](https://library.med.utah.edu/ed/remoteaccess.php)

**STAYING HEALTHY**

- **Campus Recreation Services**: Membership to the Student Life Center is free to students with a valid University ID. Programs include outdoor adventures, intramural sports, fitness classes and equipment rentals at a reasonable price. [http://campusrec.utah.edu/](http://campusrec.utah.edu/)
- **Student Health Center**: Provides discounted services to all University of Utah students, their spouses, and dependents including immunizations, preventive/well care, travel consultations, women’s health & family planning, and pediatrics. Information about student health insurance is also available. [http://studenthealth.utah.edu/](http://studenthealth.utah.edu/)
- **Counseling Center**: Offers individual, couple and/or group counseling to University graduate students enrolled in 3 credits or more. [http://counselingcenter.utah.edu](http://counselingcenter.utah.edu)
- **Center for Student Wellness**: provides health education and victim advocacy. [http://wellness.utah.edu/](http://wellness.utah.edu/)
- **SafeUT app**: confidential crises intervention with licensed mental health counselors (call or text). [uofuhealth.org/safeut](http://uofuhealth.org/safeut)
- **Feed U Pantry**: The Feed U Pantry is open to all University of Utah students, faculty, and staff with a current University of Utah ID. [https://union.utah.edu/services/feed-u-pantry/hours-about-us/](https://union.utah.edu/services/feed-u-pantry/hours-about-us/)

**TRAVEL & CONFERENCE FUNDING**

Travel fund opportunities for students who have been accepted to present at conferences are available from offices
on campus

**ASUU Travel Funding:** ASUU can provide funding for graduate and undergraduate students attending academic conferences, academic trips, competitions, or expos: [https://asuu.utah.edu/travel-and-conference-funding](https://asuu.utah.edu/travel-and-conference-funding)

**Graduate Student Travel Assistance Award:** Funding through the Graduate School for up to $400 and must be supported with a dollar-for-dollar match from university funds: [http://gradschool.utah.edu/current-students/graduate-student-travel-assistance-award/](http://gradschool.utah.edu/current-students/graduate-student-travel-assistance-award/)

---

**UNIVERSITY POLICE AND SECURITY**

**University Police and Security:** The Department of Public Safety staff is here to help make your time on campus pleasant. They do so by monitoring and responding to alarms, controlling access to university facilities, high-visibility patrol of workspaces and parking areas, and after dark escorts to those who request it.

- Immediate police or security response is available by calling the main dispatch number, (801) 585-COPS (2677).
- Additional valuable safety and emergency information may be found at [www.ehs.utah.edu](http://www.ehs.utah.edu) - external link and at [www.emergencymanagement.utah.edu](http://www.emergencymanagement.utah.edu) - external link.

**Safety Escorts:** Many students or employees need to be on campus at night or at odd hours. Perhaps you feel nervous when you need to walk some distance to your vehicle, dorm, or another building on campus. If for any reason you would feel more comfortable having someone walk with you, please call **801-585-2677**. Just tell the dispatcher where you are and request an escort to a particular campus location. A security officer will walk with you or give you a ride to your desired location.

---

**UNIVERSITY OF UTAH RESOURCE CENTERS**

**CAREER AND PROFESSIONAL DEVELOPMENT CENTER**

Services for students including career exploration, jobs, internships, resumes, interviewing, programs, and workshops. [http://careers.utah.edu/](http://careers.utah.edu/)

**CENTER FOR CHILD CARE AND FAMILY RESOURCES**

The Center for Child Care and Family Resources offers comprehensive guide to childcare resources and information that supports parents in their search for childcare services. [http://childcare.utah.edu/](http://childcare.utah.edu/)

Services include:
- Child care options that exist both on and off campus
- Quality program checklist
- Financial and educational resources
- Special programming for children and parents
- Locations of diaper changing stations and lactation rooms
- Free childcare opportunities are available through:
  - Team Tots - Two hours of free childcare for children ages 1-7 every Tuesday & Thursday so you can work out.
  - Finals Week – Support for your family during the busiest week of the semester.
  - Parent Night Out – One Saturday each month.
CENTER FOR DISABILITY & ACCESS
The Center for Disability & Access is the designated office at the University of Utah, which evaluates disability documentation, determines eligibility, and implements reasonable accommodations for enrolled students.
https://disability.utah.edu/

COUNSELING CENTER
The University Counseling Center (UCC) offers opportunities for personal development that will lead to enhanced learning and contribution to the University. The Center helps students, staff, and faculty resolve existing problems, prevent potential problems, and develop new skills that will enrich their lives. Services address personal, career, and academic learning issues. Formats include individual and group counseling, classes, and workshops. Consultation and outreach services are also available to University organizations and departments. Please visit the services page for specifics on the provided services. Appointment is preferred, but walk in is available if in crisis and intake appointment is free.

Location: 426 Student Services Building (426 SSB)
Website: http://counselingcenter.utah.edu/
Telephone: 801-581-6826
Hours: Monday-Friday, 8am-5pm
After hours emergencies: 801-587-3000
All inquiries and discussions are treated confidentially.
Please call 801-581-6826 or visit the Counseling Center to make an appointment.

INTERNATIONAL STUDENT & SCHOLAR SERVICES
The International Student & Scholar Services office serves as the primary campus contact for international students, scholars, and alumni. Our office fosters and supports a global campus community as part of the University of Utah's vision of a welcoming and internationally connected campus. https://internationalcenter.utah.edu/

LGBT RESOURCE CENTER
The goal of the Center is to provide resources, a safe environment for student interaction, and outreach programs that will educate the University community in regards to sexual orientation and gender identity. The Center has a media library, study lounge, and a number of computers. https://lgbt.utah.edu/

THE GRADUATE SCHOOL
The Graduate School provides resources such as scholarships, events, seminars, and support services. https://gradschool.utah.edu/graduate-students/

VETERANS SUPPORT CENTER
The U provides a wide variety of programs, resources, and events in support of veterans, service members, and their family members who are attending the U. We also encourage you to take advantage of student leadership opportunities that will help enrich and enjoy your U Vet experience. https://veteranscenter.utah.edu/

WOMEN’S RESOURCE CENTER
The Women’s Resource Center (WRC) at the University of Utah serves as the central resource for educational and support services for women. Honoring the complexities of women’s identities, the WRC facilitates choices and changes through programs, counseling, and training grounded in a commitment to advance social justice and equality. They provide counseling and scholarships for students. https://womenscenter.utah.edu/
WRITING CENTER

Services specific to graduate students include assistance with research proposals, articles for publications, class papers, resumes and CVs.  http://writingcenter.utah.edu

Graduate students also have free access to Grammarly premium, an AI writing assistant that helps develop writing skills as well as edit text documents, emails, Facebook, Twitter, or any web-based application.  https://gradschool.utah.edu/grammarly/
