

UNIVERSITY OF UTAH
HEALTH CARE

SAFETY
EVENT
REPORTING

REPORT any event—or potential hazard—that has or could result in patient harm via:

PULSE

On **pulse** click on the RL tile located under “Patient Safety” or find it in the “Favorites Store”

GO TO: pulse.utah.edu/PatientSafety

EPIC

In **Epic** RL is located in the patient's chart below the “PowerChart” button on the left menu bar

PowerChart

RL Event Report

MOBILE

Download the
RL6: Mobile App*
(search the App Store)

** This option is available to
physicians, NPs, & PAs only.*

UNIVERSITY OF UTAH
HEALTH CARE

SAFETY
EVENT
REPORTING

Reporting safety events is **EASY!** Access RL via Pulse, Epic, or Mobile App:

- 1:** Use your University **uNID** and password to access the system
- 2:** Use the search field or select the icon that best fits the incident
- 3:** Complete the form fields
- 4:** Click “Submit” when complete
- 5:** House Staff should notify the Attending physician of any safety event

There is NO PENALTY for reporting safety events. RL is designed to help us “**Report & Learn**” to improve patient care and prevent harm.

QUESTIONS?

A list of RL FAQ's, Education, Contacts and more can be found on the Pulse “Patient Safety” site.
