

SCIENTIFIC SESSION 5:

Friday, October 18, 2019
9:15 AM - 10:45 AM

IMPLEMENTATION STRATEGIES IN ADDICTION HEALTH RESEARCH: Breakout Moderated by Mark McGovern Room: White Pine Parlor I

*"Advances in selecting and measuring implementation strategies
in addiction health services research"*
Symposium Presentation | 9:15 AM - 10:45 AM | Moderator: Jan Gryczynski
Symposium Abstract Titles & Presenters:

"Dealing with Chaos in Organizational Implementation Research"
Gregory Aarons

*"Main findings from the Substance Abuse Treatment to HIV Care (SAT2HIV) Project:
A type 2 effectiveness-implementation hybrid trial"*
Bryan Garner

*"Approaches for integrating digital treatments for drug use disorders into primary care:
A qualitative study of patient perspectives"*
Joseph Glass

*"Using Stakeholder Values to Promote Implementation of an Evidence-Based Health Intervention
for Addiction Treatment in Primary Care Settings"*
Andrew Quanbeck

*"Tailoring Practice Facilitation to Optimize Alcohol-Related Care in Hepatology Clinics:
Barriers and Facilitators and Feedback on an Implementation Intervention"*
Emily Williams

CRIMINAL JUSTICE POPULATIONS AND TECHNOLOGY: Room: White Pine Parlor II

"StaySafe: A Technology-based Decision-making Tool for People on Probation"
Symposium Presentation | 9:15 AM - 10:00 AM | Moderator: Wayne E.K. Lehman
Symposium Abstract Titles & Presenters:

*"A Mixed Method analysis of attitudinal and behavioral changes after StaySafe, a computer tablet
app to improve decision making around health behaviors among people on probation"*
Wayne E.K. Lehman

*"Methodological considerations for conducting research with Adults in Community
and Residential corrections settings"*
Roxanne Muiruri

*"Substance use and treatment-seeking experiences for adults on probation
in a county residential treatment setting: A qualitative study"*
Jennifer Pankow

"Technology Integration in Various Populations"
Symposium Presentation | 10:00 AM - 10:45 AM | Moderator: Maxine Stitzer
Symposium Abstract Titles & Presenters:

*"Contingency Management (CM) Adoption for Routine Use in
Clinical Care via Technology Integration"*
David R. Gastfriend

"Smartphone-based Financial Incentives for Smoking Cessation in Pregnant Women"
Allison N. Kurti

"Digital Platform Addiction Recovery Monitoring and Rewards in an Urban Population"
Shawn Ryan

SCIENTIFIC SESSION 5:

Friday, October 18, 2019
9:15 AM - 10:45 AM

EVALUATION OF OPIOID POLICIES: Breakout Moderated by Rosalie Pacula Room: Painted Horse

"Emerging issues in the evaluation of opioid policies"
Symposium Presentation | 9:15 AM - 10:15 AM | Moderator: Rosalie Pacula
Symposium Abstract Titles & Presenters:

***"The State of the Statistical Science for Evaluating Opioid Policies:
Findings from Simulations"***

Beth Ann Griffin

***"The State of the Statistical Science for Evaluating Opioid Policies:
Findings from a Literature Review"***

Megan Shuler

***"Defining Opioid Policies for Analysis:
Targeting a Complicated and Moving Target"***

Rosanna Smart

***"Opioid Policy Research:
An Overview of Common Methodological Challenges"***

Bradley Stein

Individual Presentations | 10:15 AM - 10:45 AM | Abstract Titles & Presenters:

***"State Policies for Prescription Drug Monitoring Programs and Implications
for Long-term Prescription Opioid Use"***

Yuhua Bao

"Quality of Opioid Use Disorder Treatment in 8 State Medicaid programs"

Julie Donohue

ADDICTION AMONG VULNERABLE POPULATIONS:

Breakout Moderated by Audrey Jones
Room: Arrow Head

Individual Presentations | 9:15 AM - 10:45 AM
Abstract Titles & Presenters:

***"Low-Barrier Initiation of Buprenorphine for Treatment of Opioid Use Disorder at Homeless
Encampments: Meeting People Where They Are At"***

Michael Incze

***"Initiation of medication treatment for opioid use disorder in the
Veteran Health Administration's homeless-tailored medical home"***

Audrey Jones

"Evaluation of an innovative in-home treatment program for women with substance use disorders"

Sara Kaiser

"Hepatitis C Care Cascade among Young People who Use Opioids in New York City"

Shashi Kapadia

***"Homeless-Tailored Primary Care Environments are Associated with Fewer Negative Care
Experiences for the 'Most Vulnerable' Homeless Veterans"***

Stephan Kertesz

***"Comorbid substance use disorders in patients with opioid use disorder:
Association with treatment receipt"***

Mary Mitchell
