

PLENARY 1:
THURSDAY, OCTOBER 17, 2019
8:00 AM - 9:00 AM

PLENARY DESCRIPTION:

In April 2018, NIH launched the HEAL (Helping to End Addiction Long-term) Initiative, an aggressive, trans-agency effort to speed scientific solutions to stem the national opioid public health crisis.

Dr. Tisha Wiley, Dr. Lori Ducharme, and Dr. Jennifer Villani from the National Institutes of Health (NIH) will describe the overall program and its objectives, and highlight the addiction health services research and implementation science aims that are central to a number of HEAL components.
