

The School of Medicine is adjacent to University Hospital. The area inside the blue circle is shown enlarged on the next page.

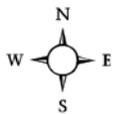

400 South → 500 South → Foothill Blvd.

The School of Medicine (SOM) is circled here in green. The main office is easy to access from the south entrance of the building (yellow star). Visitor parking is identified on this map by a purple square with a white 'V.'

Additionally, there is a pay-by-time-increment parking terrace reasonably close. This is marked by a red circle (HSCPT). You can enter the terrace from the west side.

Directions if entering the School of Medicine from the South Entrance:

School of Medicine (south entrance)

Once you locate the SOM, if you enter on the south side (star above) you will see a bank of elevators marked with a 'C.'

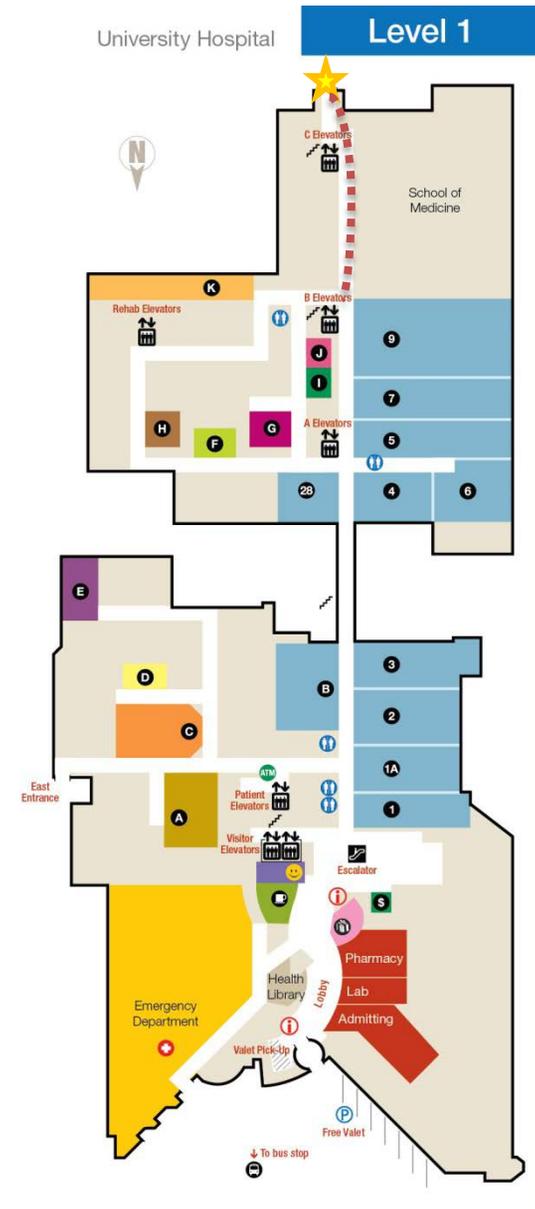

(You might also see an 'A' just outside the elevator doors, but that is the floor, depending on what entrance you came through, you may have also entered on the first floor.)

Walk north past the C elevators down a hallway until you come to another bank of elevators marked with a 'B.' Take either of the two elevators to the 5th floor.

Upon exiting, turn left. There is a water fountain just ahead on your right hand side, walk straight forward past the fountain.

Straight ahead, there is a sign on the wall for Medical Laboratory Science, turn left down this hall.

The main office is the first door on the left. Check in with the department administrative assistant and the advisor will be notified of your arrival.

Directions if entering the School of Medicine via the Main University Hospital Entrance:

University Hospital (north entrance)

After entering the main hospital entrance, walk south through the lobby passing the lab, pharmacy, and gift shop which will be on your right. Continue past the escalators and keep walking straight forward. You will pass some clinics and then walk across a glass-enclosed bridge. After crossing the bridge, continue walking straight down the hallway until you see a bank of elevators marked with a 'B.' Take either of the two elevators to the 5th floor.

Upon exiting, turn left. There is a water fountain just ahead on your right hand side, walk straight forward past the fountain.

Straight ahead, there is a sign on the wall for Medical Laboratory Science, turn left down this hall.

The main office is the first door on the left. Check in with the department administrative assistant and the advisor will be notified of your arrival.
