HELPING BUSINESSES IMPLEMENT SAFETY AND HEALTH PROGRAMS IN THE WORKPLACE

“Take 3 in 30” Challenge

Management leadership is a core element of a workplace safety and health program.

Accelerate your program and show your commitment in your workplace. [Take 3 in 30!](#)

Here's how you do it:

- 1. Take 3 actions in 30 days**

There are lots of ways to accelerate your program!

Choose from our list or pick one of your own. Every workplace is different so select actions that work best for you.

- 2. Share in your workplace**

It is important for your employees to see your commitment to safety!

Show them that safety starts with you! List your three actions and share it on social media, in your company newsletter, or post it in the workplace.

- 3. Accept your challenge coin**

You did it! Visit our website once you complete your activities to download your virtual challenge coin for showing management leadership. Share it on social media, post it in your workplace, or put it in your email signature – display it proudly!

[Download the Take 3 in 30 challenge and share in your workplace and on social media!](#)

Why is Management Leadership Important?

When management at the highest levels of an organization are committed and leadership is attentive and is supported by actions, workers know that safety and health are important to business success. This means that the steps they take to improve safety and health will be valued by the business. [Learn more...](#)

Mark Your Calendar

- 30 days from now to complete your challenge!
- Save the date for [Safe + Sound Week 2019](#)
- Look for information on finding and fixing hazards coming in May

FEATURED RESOURCE

[Making Safety Personal](#)

This resource is filled with engaging activities that can increase participation in safety and health programs by getting managers and workers thinking about and discussing what safety on the job means to them.
