

Sample HIPAA certification

Your certification must be within the **last 12 months prior to your rotation start date** and must remain valid during your rotation dates. HIPAA certification is valid for 1 year.

Many students will complete their HIPAA certification through their home school. Other 3rd party options are available online. No specific HIPAA provider is required. Please ensure a completion date is provided.

Certificate Of Completion

We hereby award

██████████

This certificate of completion for

Office of Ethics and Compliance HIPAA Security

██████████

on 06/11/2024 ██████████
