DETAILS:

In the interest of the health and safety of our healthcare practitioners, including our members, supporters, staff, vendors and volunteers. The Utah Otolaryngology Update Council has determined the most responsible decision is to move The 26th Annual Utah Otolaryngology Update to a virtual meeting. We have carefully considered various options and feel this is the best choice to continue providing educational and networking opportunities during this time.

Our conference will be held **Friday June 18 & Saturday June 19** and in order accommodate busy schedules we are allowing **90 days of on-demand access**. Please see attachment included on this email to view our program. This year's conference we are providing a discounted rate of \$150 for a MD and \$100 for a Non-MD/Retiree.
