"HIV Clinicians' Intention to Prescribe Buprenorphine and Naloxone: Baseline Results from the PTSL Study"

Eric Romo

"Reduced Adverse Health Care Outcomes with Continuous Buprenorphine Treatment Beyond 6 to 9 Months"

Hillary Samples

"Strategies to improve treatment utilization for substance use disorders: A systematic review of intervention studies"

Jason Satterfield

SCIENTIFIC SESSION 3:

Thursday, October 17, 2019
2:15 PM - 3:45 PM

INCREASING IMPLEMENTATION AND ACCESS TO SUBSTANCE USE DISORDER RESOURCES:

Breakout Moderated by Daniel Blonigen
Room: Painted Horse

"Increasing Implementation and Patient Uptake of Mobile Apps for Treatment of Addictions"

Symposium Presentation | 2:15 PM - 3:15 PM | Moderator: Daniel Blonigen
Symposium Abstract Titles & Presenters:

*"Using Peers to Increase Engagement in a Smartphone Application for Self-Management of
Drinking Problems among Veterans in Primary Care: Findings from an Open Trial"*

Daniel Blonigen

"Patient perspectives on integrating digital treatments for alcohol use disorders in primary care"

Joseph Glass

"Evaluating the Usability of a Mobile Application for Self-management of Unhealthy Alcohol Use"

Eric Hawkins

*"Impact of Supplementing Intensive Outpatient Treatment with Telephone Continuing Care
and ACHESSE Smartphone Interventions"*

James McKay

Individual Presentations | 3:15 PM - 3:45 PM | Abstract Titles & Presenters:

"Standardized Health-Related Quality-of-Life Among a Sample of Substance-Using Adolescents"

Alexander Cowell

*"What Factors Predict Attempted Access of Physical Health, Mental Health, and Substance Use Services
for People with SUD Leaving Prison? A Look at Factors Impacting Health Services Utilization"*

Taylor Hall

VARIOUS PERSPECTIVES ON ADDICTION TREATMENT AND POLICY:

Breakout Moderated by Marian Jarlenski
Room: Arrow Head

Individual Presentations | 2:15 PM - 3:45 PM
Abstract Titles & Presenters:

"Navigation Services to Avoid Rehospitalization (NavSTAR):

A randomized trial of patient navigation for hospital patients with comorbid substance use disorders"

Jan Gryczynski

"Changes in Opioid Utilization Following Florida's Acute Pain Restriction Policy"

Juan Hincapie-Castillo

*"Duration of medication for opioid use disorder in pregnancy and
postpartum treatment and overdose"*

Marian Jarlenski

*"Reasons for opioid misuse: Identifying gaps in knowledge and social norms
that promote risky use of prescription opioids"*

Katie McCabe

*"A Framework for Systems Transformation as a Facilitator to Overcome Barriers Related to the
Implementation of Medication-Assisted Treatment (MAT) within Rural Primary Care Practices"*

Jack Warwick

"Missing link(age)s: a perceived need for opioid service coordination in a criminal court setting"

Daniel Winetsky
